The Shield 1967

The Annie Wright Seminary

Tacoma, Washington

In Memoriam

The Reverend Canon Arthur Bell

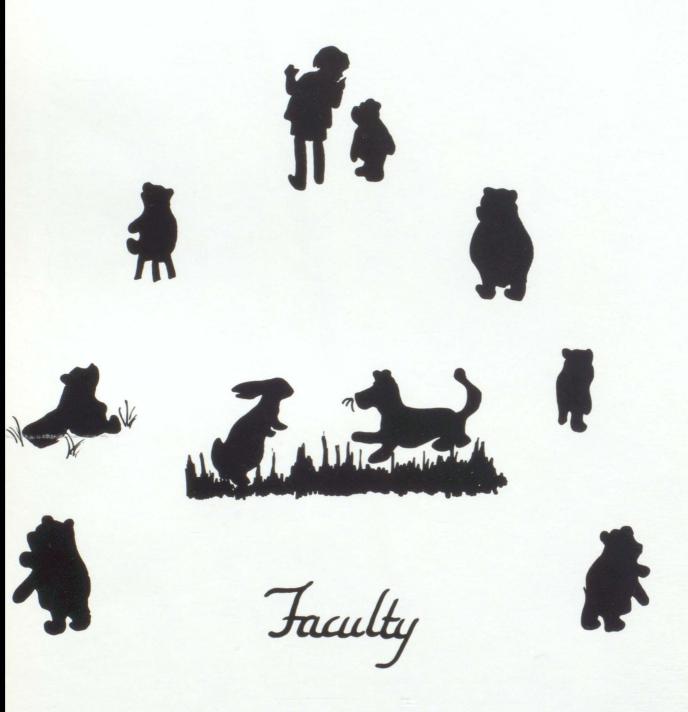

We wish to remember Canon Arthur Bell, Chaplain of The Annie Wright Seminary for twenty-six years, for the deep love and sincere devotion that he felt and showed for the school and every student enrolled therein.

Dedication

Mr. Loren Bonner (Monty)

For your unselfish cooperation and your concern for each individual member of the school, we wish to dedicate this Shield to you. You have helped us in many ways just by caring about each of us and by being a special friend. We thank you, with all our hearts, for all that you have done.

TO THE CLASS OF '67

You have lived all year in a climate of uncertainty. This has been generated by a variety of factors. College admissions difficulties have been foremost in your minds, as some of you have suffered disappointments in your first choices. More significant to a number of this class has been the war in Viet Nam. Your rightful concern for our country's policy as well as the more personal concern for friends and relatives have combined to add to your uneasiness.

To your credit you have learned to examine these difficulties objectively and take them in stride. A number of you have grown immeasurably as a result of your determination to overcome the problems which have been yours. The uneven road along which you have traveled has forced you to find new strengths to add to those already won.

I have appreciated the opportunity of assisting you find solutions to class or personal challenges. As you leave the Seminary, may you know that my concern for your welfare will always be present.
